

Quality Policy

We at Showa Denko Europe GmbH will provide high quality products and services that are safe and exceed our customers' expectations. Our aim is to enhance the value of Showa Denko group, give satisfaction to our stakeholders, and contribute to the sound growth of international society as a responsible corporate citizen.

Basic company principles are the source of the basic quality principles. These basic company principles are determined by the management and successfully implemented by involving all stakeholders. The top management further developed guidelines that shall help every management member, as well as every employee to align his/her work ethic. Continual improvement is achieved by setting challenging but attainable objectives for all aspects of our business and enabling employees to suggest improvement ideas. Compliance with laws and following strict business ethics, ensures the full trust of society.
